Fundraising campaign

UKRAINE IS CALLING fundraising campaign is aimed to buy **112** rescue vehicles for Ukraine. It was inspired by LUKraine's projects within which 14 ambulances and 2 fire trucks were procured and sent to the most affected by war regions of Ukraine.

Ukrainian emergency services are doing their very best to aid all citizens made victims of the unjustified russian aggression. However, because of the fast resource degeneration, they are stretched to the limit. As of today, more than 2000 rescue vehicles have been destroyed in Ukraine since 24th of February. We want to help fill the gaps, in terms of resources, in the national emergency infrastructure so that ambulances and fire services can reach the people most in need. We understand that our goal is a challenge, but we're sure there are enough caring people to achieve our aspiration.

Ukraine is calling for help. Don't decline lives!

Mriya Ukrainian School

Ukrainian Saturday school opened its door on October 15, 2022. The school was organized by LUKraine asbl and designated for Ukrainian kids from 3 to 10 years old.

The kids are divided into 4 age groups. The school concept follows non-formal education principles and provides children with several subjects: the Ukrainian language, creative workshops, drawing, dancing, singing, and theater acting.

Also, the kids study the history and culture of Ukraine and Luxembourg, celebrate holidays, and commemorate memorable dates. On the school's website, you can familiarize yourself with the program, and topics of the day, see photos, and get additional helpful information for parents and children: <http://mriya.lu>

At school, our dream is to create an educational space filled with the Ukrainian language and culture based on great Ukrainian history and ancestors' experiences. One cannot build a sustainable, peaceful, and free future without knowing the past.

We appreciate you standing by our side and we are thankful for your support.

Help us to further support Ukraine fighting for the peaceful future of the democratic world.

The war is not over, we had entered a long battle and your kind donations will save someone's life.
