Ukraine is calling

To support UKRAINE IS CALLING fundraising campaign that is aimed to buy **112** rescue vehicles for Ukraine, a damaged by russian shelling ambulance (Kharkiv) and a fire truck that blew up on a landmine (Kyiv), were brought to Luxembourg.

These installations, of ambulance in Esch-sur-Alzette, and fire truck, in European Quarter on Place d'Europe, serve as a reminder of what has been going on in Ukraine for the past 10 months; a sad and painful message, that war is not over and it's closer than one may think.

First convoy of 16 rescue cars arrives to Lviv, Ukraine

Don't decline lives

First convoy of 12 ambulances and 4 fire trucks has left Luxembourg on early morning of December 21st to reach Ukraine right by Christmas.

8 ambulances were donated by the Ministry of Foreign Affairs and CGDIS, 4 more ambulances and 4 fire trucks were procured thanks to the kind donations of Mr. François Meyer, Publi.lux, Artec 3D, CinEast Festival and everyone who have responded to our call to action and supported UKRAINE IS CALLING campaign.

On December 23rd, after a long and tiring trip, cars had arrived to Lviv, where keys were officially handed to the representatives of the Ministry of Health of Ukraine and to the State Emergency Services of Ukraine.

For sure, this trip became possible thanks to our volunteers who drove, co-piloted, organized, prepared, did the talking and finally reached Lviv, tired but determined, that these 16 vehicles will go save Ukrainian lives.
